Dear Admiral Turner,

Thank you very much  
for your letter of congratulations,  
which meant a great deal to me.

I head east next Wednesday  
to relieve Ron Thurman in  
OPNAV (OP-13), and am  
really looking forward to  
getting involved as the lead

guy in several problem-  
plagued personnel programs.  
This will be my first show  
assignment where I can take  
actions that will have impact  
for all our personnel, and I  
can hardly wait.

Very respectfully,

Jim —
